Background

Welcome to the Links & Law Web Site

You will find a lot of information about hyperlink and search engine law here, including case law summary, links to court rulings worldwide and to articles (in English and German) in the area of competition and intellectual property law.

For the latest news click here!

There is a lot more content for German speaking visitors at three other Links & Law websites ([Internetrecht](#), [Impressumspflicht nach § 5 TMG](#) and [Jugendschutz im Internet](#))
